FCC Commissioner,
I respectfully urge the FCC to reject the National Association of Broadcaster's (NAB) petition 04-160. Without XM radio, I wouldn't have the programming choice that I desire and need.

For example, the Austin, TX market has a plethora of country and rock stations, but there is no jazz, which I thoroughly enjoy. Secondly, the comedy programming on XM radio is delightful.

Again, I ask that the FCC rejects the NAB's petition 04-160.

Best regards,
Kurt Requa
